

Description: **Ultimate Grand Prix Adventure - Pursuit Race Program**

This experience is for the individual that has that competitive spirit. Not only will you be driving the most powerful Formula 1 style two liter race cars found today, but we add the thrill of competition with a Head to Head Pursuit racing format. You will see if you have the skills and the cool to keep the car on the track and ahead of your pursuer. We eliminate the need for passing so that you can safely enjoy this experience and still get a taste of what it's like in the heat of battle. There are no speed limits or pace cars to hold you back.
